IMPORTANT TO PLANTERS! THE RICHMOND FACTORY, RICHMOND COUNTY, GA.,

CONTINUES to manufacture WOOLEN CLOTH at 12½ cents per yard; finding every material except the Wool. The extensive and constantly increasing patronage the Factory has enoyed for years past, assure the Proprietors that he article of Winter Clothing for Negroes,

Made by them, has not been surpassed by any Cloth made North or South. Recent extensive improvements and additions

not only enable us to keep up the standard of the Goods, but to secure an early delivery of the same. Planters or others who may desire to avail themselves of this opportunity, and secure a first rate article at a moderate cost, have only to send us the Wool, washed clean in cold water. If sent dirty one half cent per yard extra is charged for washing. Burry Wool is not objectionable; the Burrs are removed by machinery.

The name of the owner should be marked on all Packages sent us. Wool sent by any of the Rail Roads in Georgia, Alabama or South Carolina, to the Augusta Depot, marked Richmond Factory, (and owner's name also) will be regularly and promptly received, and the cloth, when made, returned to the points directed. Each parcel is made up in the turn received, hence an early delivery is always desirable. All instructions to WM. SCHLEY, Pres't.
